Your participation counts.
Here's why it's important.

PR-RN-2022

EMPOWER MARYLAND

Thanks for being part of BGE's energy-saving community.

As participants in the PeakRewards Air Conditioning Program, you and more than 300,000 other BGE customers are doing your part to help central Maryland have a reliable supply of electricity when it's needed most. You're also helping protect the environment by lowering power plant emissions and reducing our carbon footprint.

We Appreciate You

Your continued participation in PeakRewards helps:

Prevent the need for additional power plants

Ease the burden on Maryland's electricity delivery system as the state's population continues to grow

Keep down the overall cost of electricity

Plus, you receive summer bill credits each year we have an event!

Keep saving with BGE.
